Dear Readers,

It is with great pleasure that we introduce to you our upcoming journal, " **STAP Journal of Security Risk Management.**" This journal is dedicated to exploring the advancements in the field of cybersecurity and providing a platform for researchers and scholars to exchange ideas, fostering progress in the area of security and risk management. On behalf of the editorial team, I extend our heartfelt gratitude and a warm welcome to the scholars, experts, researchers, and readers who support and follow our journal.

Purpose of the Journal

The STAP Journal of Security Risk Management aims to promote the development of cybersecurity fields, enhance the research level of cybersecurity technologies, and strengthen academic exchanges on an international scale. We are committed to building an open, inclusive, and innovative platform for researchers in the field of cybersecurity to present their findings, share experiences, and exchange ideas.

Content and Directions

The STAP Journal of Security Risk Management will cover the following main two areas:

(1) Security Field

Security Risk and Malware
 Cyber security
 Information security
 Data security
 Encryption
 Intrusion malware detection and countermeasures
 Computer Forensics and Network Forensics
 Security issues in vehicular networks (VANETs)
 Security issues in smart applications
 Security and Privacy

(2) Risk Management Field

Risk Management Field
 Security risk assessment
 Security risk management

Citation

Security risk auditing
Governance, Risk, and Compliance (GRC)
Technical Auditing and Vulnerability Management
Privacy and Data Protection Auditing
Supply Chain Risk Management
Audit Analytics and Automation
Cloud and Hybrid Environment Security Auditing

Academic Standards

We uphold rigorous academic standards and peer review processes to ensure that each published article is of high quality and innovation. We encourage original research and welcome in-depth analysis and critical thinking on existing theories. At the STAP Journal of Security Risk Management, we are committed to exploring these frontiers, encouraging multidisciplinary research, and providing a platform for thought leaders and practitioners to shape the secure digital future. The journal of STAP Journal of Security Risk Management welcomes active contributions from researchers and scholars. We invite submissions covering a wide range of topics in Cyber Security and Risk Management.
